

**STATE EMERGENCY OPERATION CENTER (SEOC),  
BHUBANESWAR, ODISHA**

**Situation Report on Extremely Severe Cyclonic Storm – 'FANI'**

***Date: 03.05.2019, Time: 6.00 PM***

\*\*\*\*\*

**1. Present Status of 'FANI'**

As per information from IMD, the Extremely Severe Cyclonic Storm 'FANI' crossed Odisha coast close to Puri between 0800 and 1000 hrs with maximum wind speed of around 175 KMPH. Thereafter, the system moved to khordha district with high wind and heavy rainfall in the district including Bhubaneswar before moving northwards to Cuttack. Khordha including Bhubnaeswar, Cuttack and Puri districts were severely affected.

**2. Rainfall during last 24 hours:** The state received average rainfall of 21.6 mm on 3rd May, 2019 in the last 24 hours. District wise details annexed.

**3. Impact/ Extent of Damage:**

- Huge numbers of trees have been uprooted resulting in disruption of road communication.
- There is extensive damage to dwelling houses. Almost all Kutcha and old Pucca have been fully or severely damaged.
- Power supply snapped due to uprooting of electricity poles, damage to substations and KV lines..
- Telecom towers have been affected resulting in cellular and telephone network down in wide area. All telephone and cell phones are down in Puri district.
- Summer crops, orchards, plantations devastated in a large scale.

**4. Action Taken:**

- Clearing of roads has already started.
- Power restoration process is in full swing
- 11,60,529 Persons in 18 districts and one ULB evacuated and sheltered in 6575 cyclone shelters. Free kitchen started for them.
- 24,889 numbers of tourists have been safely evacuated from Puri, Ganjam, Cuttack and Balasore districts.

- Nearly 4.5 lakh polythene sheets (temporary shelter materials) have been prepositioned in district/ sub-district levels and 1.5 lakh kept in buffer stock at state HQRS.
- 1 lakh of food packets have been prepared and kept ready for air dropping, if required.
- Cyclone related alert and action suggested have been delivered through Location Based Alert System (LBAS) SMS to 1.8 crore nos. of subscribers of the likely to be affected districts.
- Cyclone warning has been disseminated through siren towers installed in the coastal areas under EWDS project.
- 55 satellite phones have been provided to Districts, response forces and senior officials at state HQRS for emergency communication. 14 more satellite phone provided to coastal district under EWDS project.
