Data on crimes against Dalits and Adivasis draws a distinct pattern of similarity between rural and urban spaces. At the end of the year 96.0% of cases of atrocities against SCs were pending for trial whereas for STs, the percentage stood at 95.4%.

Even after the amendments came in force in year 2016, which generated a hope to the Dalit and Adivasis victims in accessing speedy justice, the implementation of the amended SCs and STs (PoA) Amended Act 2015 remains a challenge. With the audacity with which crimes are conducted it is very much evident that there is complete absence of fear and lawlessness. Apart from violence, being perpetrated on Dalits and Adivasis, there has been an increase in Untouchability practices in schools, access to drinking water, access to education, healthcare, and dignity remains a challenge.

We, on behalf of Dalit and Adivasis communities call on the Union and State Governments, political parties elected representatives to take a stand against the rising caste based in the country.

➢ We call upon the Government of India to robustly, enforce and implement the new provisions of the amended Scheduled Castes and Scheduled Tribes (Prevention of Atrocities) Act 1989 (2015).

➢ Take swift and robust action against the dominant caste perpetrators violating the human rights of Dalits and Adivasis.

➢ Conduct an open and transparent investigation under the Scheduled Castes and the Scheduled Tribes (Prevention of Atrocities) Amendment Act, 2015 and prosecute those Government and police officials who are found to have aided and abetted criminals.

➢ Robustly implement the Exclusive Special Courts mandated in the amended act for speedy trials.

We demand immediate action to end atrocities against Dalit and Adivasis; and we will not be appeased by mere promises.

With Warm Regards,

Mr. Rahul Singh
